The Karonga School Harmony Day Lunch is one of the highlights of the school calendar and is a wonderful celebration of the many cultures represented throughout Australia as well as at our school.

This is a whole school community event to celebrate Harmony Day and a wonderful opportunity for parents to socialise with other families.

We would like to extend a special invitation to our new families and hope that you can attend.

Parents, carers, grandparents and relatives please mark the date in your diary now.

More information will be supplied by the class teachers via the communication books.

SEE YOU THERE!!
